Subject: Sampling for Lead in Residential soil, Exide

Hi Sophia and Deldi,

I am looking for either one of you to help me get someone to talk to about our sampling plan for lead contamination in residential yards in Exide's neighborhood in Vernon CA. We are presenting our proposed plan to the community tomorrow and wanted some outside feedback.

Please let me know if you can identify that person for me. Tomorrow I will be travelling to LA but can be reached at 916-792-9400 [my cell phone].

Thank you

Su
